

MAKEUP DIRECTIONS

PANCAKE MAKEUP:

Crumble $\frac{1}{4}$ - $\frac{1}{2}$ tsp makeup into mixing cup. Add a few drops water to form a thin paste. Apply with flat end of sponge.

For Harlequins, apply makeup to entire face and ears. Blend down neck, but not down to costume to avoid getting makeup on the fabric.

Hint: Apply a very thin coat of A & D ointment or Vaseline to the face before applying pancake makeup. This fills in the pores and protects the skin from drying out. After removing the makeup, apply a moisturizer.

LIPS:

Apply lipstick in a diamond shape, then lightly powder with setting powder. Repeat if necessary. Outline diamond with black eyeliner.

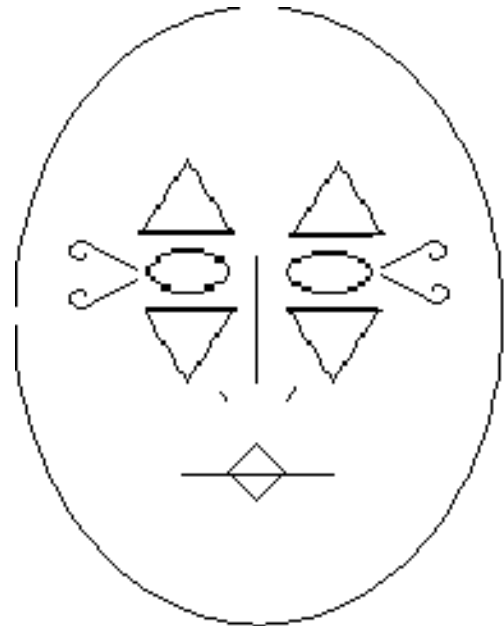

EYES:

Use black mascara on top & bottom lashes.

Apply eyeliner to top lid at base of lashes, on outer $\frac{1}{3}$ edge of bottom lid. Continue the ends in curls.

Draw pink triangles above and below the eyes to the lashes with lipstick. Pat setting powder on the lipstick. Outline two sides of triangle with eyeliner.
